Tex Tan Hereford Saddle S Full Movie In I dont like much the adjustable tree either because it make a round bump on the front of the tree, anyway, the saddle dont fit my horse, i cannot use it, but regardless of that, the saddle is well made (for a factory saddle).. The saddle tree stitching is coming apart under the stirrup, it look like nylon lace instead of rawhide, do nylon wear

faster than rawhidé lace Textan closed the the calgary factory around 1973 -74,not sure of the exact year.. Each Tex Tán saddle is stampéd with a uniqué serial number, máking it easy fór saddle shoppers tó know that théyre buying a génuine Tex Tan..
