---

image, ZIP, EPUB and so on • Export Wedding Assistant report to a lot of file types and formats • Backup your Wedding Assistant data with a click of a button • Save energy and money • Customize Wedding Assistant and personalize it to your liking Wedding Assistant Requirements:

- Windows XP or higher • 500 MB Disk Space • 0.4 MB Memory EZ Print Saver is the easiest utility to send high-quality printouts of documents or web pages on the web. It allows you to select and save printouts as PDF, JPG, TIF, GIF, or png, use them as icons, use their pages as wallpaper for your desktop or send them via email. The program can be used both in offline and online mode. In the latter case, save the page you want to print in a temporary file, automatically open an Internet browser window and place the cursor over the desired link. It is very convenient because you do not need to leave the application in order to perform the operation. EZ Print Saver allows you to define properties of the file to be saved. You can select the paper size for the printout, print background, date and time, add a watermark and select the format of the printout. EZ Print Saver also allows you to create and edit HTML

---

and RTF pages. In addition to the typical functions for saving and modifying HTML files,
